

America's ToothFairy National Children's Oral Health Foundation

America's ToothFairy: National Children's Oral Health Foundation® is dedicated to eliminating children's pain and suffering from pediatric dental disease and improving quality of life for at-risk children. As the Educator of children and families, Preventer of disease, and Protector of our most vulnerable children, America's ToothFairy drives systems change by delivering proven programs and resources that expand access to care and education, improve oral health literacy, and promote overall wellness.
