

OHC Leadership Team Mandate & Guiding Principles	
Role	Guiding Principles
Be a reflective thinking body – this is not a decision-making body, the work done is influenced by the larger body	
Energize & Guide the mandate – mission, vision – pay attention to both the Balcony and the Dance Floor, operational and strategic	Helicopter above on what is happening with the whole group
Integrate what is discussed by the larger body	Our approach is participatory and inclusiveness Always put as a priority listening as a collective group
Motivate and involve people through increased knowledge, awareness and connection	Everyone needs a basic set of working knowledge
Feed the momentum in moving the priorities forward together	
Watch and integrate the trends	As well as research and data, have to listen and integrate the priority setting done by the larger group
Hold and communicate the collective knowledge around the mission	Establish the most effective ways to report back and work with the larger group, provincial and national
Develop and clarify administrative needs and functions
